Over the half term holiday new line markings were added to both the KS1 and KS2 playgrounds to encourage active break times and to support the teaching of PE. The children who used the playground on Monday morning were very excited and enjoyed following the trails and using the new markings to support their physical play. Some comments from the children included:

"I really like the new markings. They are different to what we used to have!" Annie

"I like that we have targets that we can either throw at or jump into!" Joe
